To Whom It May Concern,

My name is Vincent Mas and I am the *Coordinator of Accessibility Services* at Berkeley College in New York City. I am writing to wholeheartedly offer a letter of recommendation for Mr. Jerren Ajodhasingh for any future employment opportunities.

I have known Jerren since he started his academic career at Berkeley College in January, 2024. Jerren has consistently demonstrated exceptional qualities that make him an outstanding student, a dedicated volunteer and a role model for his peers. He exhibits professionalism, attention to detail and leadership skills on all projects. He has shown that hard work can result in achieving one's goals and this sets a high standard of excellence for those who work with him. His biggest strength is his ability to connect with others and collaborate to see projects through to completion. These qualities will make him a valuable team player and an asset to any organization that hires him.

Please contact me directly at (914) 377-5545 if you have any questions or if you would like to discuss this recommendation.

Best Regards,

Vincent Mas
